Textbook Selection Guidelines

The goal of Language Arts instruction is to enable students to become better readers, writers, and thinkers. Textbooks need to have supports for students and teachers to allow for appropriate instruction and learning for all members of the class. With that goal in mind, rate the textbook on the following attributes.

<u>Pa</u>	rt 1: General Format of Textbook	Can't work 0- 49%	Many holes to fill 50-69%	Has holes to fill 70-84%	Easy to impleme nt 85- 94%	Read to use now 95- 100%
1.	Does the textbook/series offer opportunities for students to read <u>and</u> write about topics/themes?		2	3	4	5
2.	Does the textbook/series provide opportunities for students to read across a variety of genre within a theme and/or topic?		2	3	4	5
	Does the textbook/series provide user-friendly cher materials?		2	3	4	5

Enclosure I.2. January 12, 2004

AGENDA SUMMARY SHEET

TITLE AND BRIEF DESCRIPTION: QEIPP, which is funded by Lottery proceeds, has provided incentive money for school systems in recent years. In 2001-2002, QEIPP (Rule 89) funding was suspended by action of the legislature until 2005-06. It is hoped, but uncertain, that QEIPP funds will be restored at that time. Plans are underway to find ways to continue to provide the services previously supported by QEIPP funds.

Quality Education Incentive Payment Program

Millard has received significant funding for the past several years from the State through Education Innovation Fund grant programs, which includes the Quality Education Incentive Payment Program (OFIPP also known as Rule 80) Millard has used OFIPP grant funds primarily

to nav the district's reteaching expenses

ŧ.

In 2000-01 the economy was such that the State did not have enough money to fund all of its programs. The legislature suspended most Education Innovation Fund grant programs, including QEIPP, until the 2005-06 school year. The money in the Education Fund was reallocated to the General Fund.

When the legislature suspended the QEIPP grant program, Millard's QEIPP grant of \$819,068 was intended to pay for \$461,504 of reteaching, \$360,000 of assessment scoring, and \$42,519 of Femily Personal Content of the State allowed Millard to enter data with a fille state of the state of the

The statements are to be submitted in time for the Commission to review the ideas for the report to the Legislature.
